

"THE KEEPER'S JOURNAL" COVER HISTORY

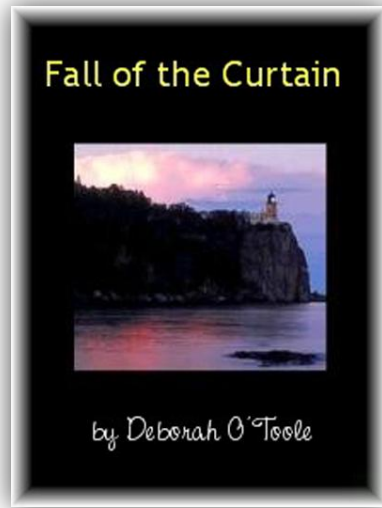

By Deborah O'Toole writing as Deidre Dalton

The Keeper's Journal was released in 2017, the fifth book in the Collective Obsessions Saga by yours truly writing as Deidre Dalton. The ten novels in the saga chronicle the extraordinary loves and intricate obsessions between two families sweeping a span of more than 165 years, most of which are set against the backdrop of a Gothic seaside mansion in Maine.

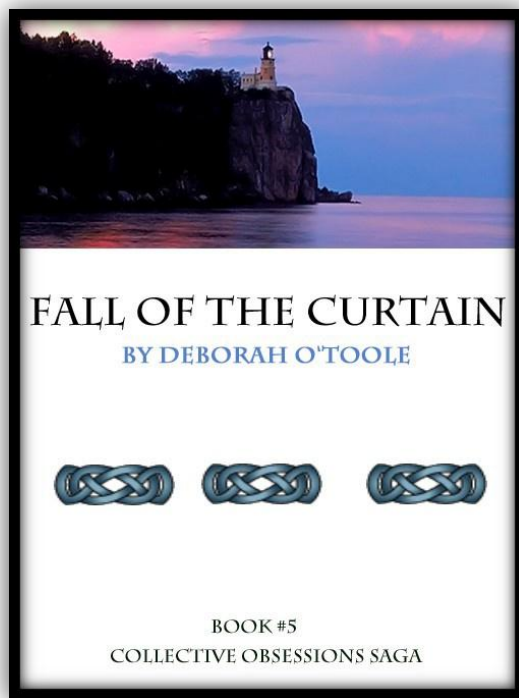

The Keeper's Journal, known as *Fall of the Curtain* for many years, has a varied book cover history. The covers changed with my name changes and finally because the title of the book became *The Keeper's Journal*.

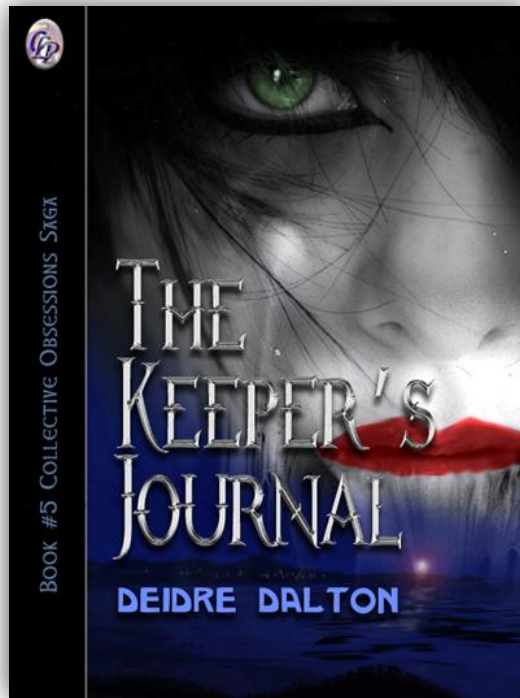

Then along came the following:

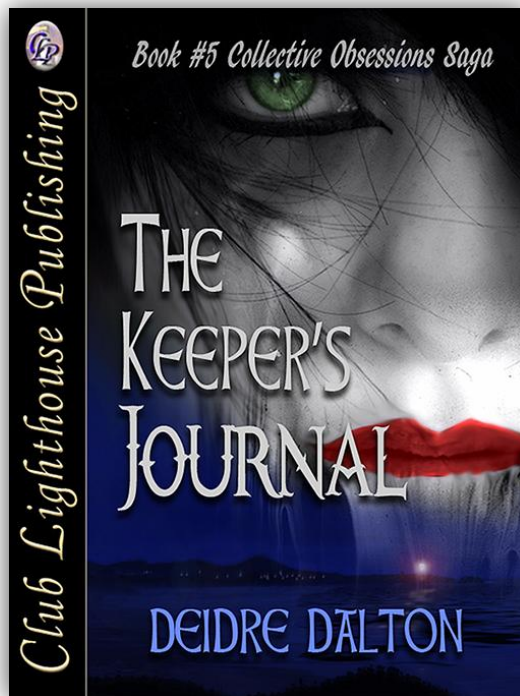

This was the last rendition of "Fall of the Curtain" before the book became known as *The Keeper's Journal*:

The *real* first cover of *The Keeper's Journal*:

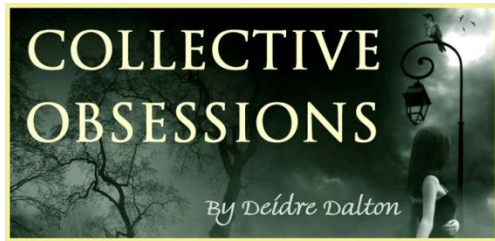

And, finally, the final print cover edition of *The Keeper's Journal*:
